### Special IOIG Message from the CEO

STC has donated SCR100,000 towards the payment of airfares for Team Seychelles for the 11<sup>th</sup> Indian Ocean Games being hosted in Madagascar.

The IOIG Games has provided just the rightful opportunity this year for STC to demonstrate its support towards giving back to the community through a special budget set aside by the company, all directed towards making a difference in the lives of our people.

Investing in our youth for a brighter future.

Fulfilling our commitment for the well-being of our society

We believe in you!  
#GoTeamSeychelles

STC went the extra mile to support the Ministry of Family, Youth and Sports through a special discount offered to the Seychelles delegation on selected duty-free products at the Duty-Free Shops.
